

I say,
play your own way.
Don't play what the public want -
you play what you want
and let the public pick up
on what you're doing -
even if it does take them
fifteen, twenty years.

Thelonious Monk

Wall of Respect Hero

play your own way

play your own way

play your own way

play your own way

play your own way

play your own way

play your own way

play your own way
